Its combination of sights, sounds, and tastes will stimulate your senses and blend together to create a spectacular new experience. It's educational; there are many wonderful things to learn at The Holy Land Experience from the moment you pass through the gates of our walled city, you will be immersed in ancient Jerusalem. The structures and exhibits characterize the style, architecture, and settings that existed in the Holy Land 2000 years ago. The Garden Tomb, Qumran Dead Sea Caves, Great Temple and Plaza, Jerusalem Model, and Wilderness Tabernacle are all intricately detailed, both inside and out, to provide you with a clearer understanding of their biblical significance. It's Inspirational; imagine entering an exact replica of the Garden Tomb where the body of the Lord Jesus Christ was buried. In reverence, you approach the tomb where he emerged victorious over death. Then at the grand entrance to the Temple Plaza, walk under a massive archway and behold the gleaming white stone plaza surrounding you with its thirty Roman columns crowned with gold capitals. All this grandeur majestically frames the imposing Great Temple, the place held the highest reverence among the Jewish people.
