Christmas Light Style:
December 3, 2014
Price: \$69.00 P/P

Knowledgeable and friendly tour guides will lead us through the first and second floors of the magnificently embellished and appointed rooms, hallways and niches of the mansion. They will share an intimate history of the Mansion, the Stetsons and the new owners who saved it. We will see the country's most beautiful and elaborate inlaid parquet floors and antique windows with over 10,000 panes of glass. This is an all access tour and nothing is marked "private" so the tour includes the private owners' quarters as well! We will also view the original schoolhouse, which has been converted into a beautiful Zen guest house featuring the original soaring Polynesian ceiling. The Grand Tour includes the third floor where you will see 4 decorated bedrooms and bathrooms, a second living and dining area and the tower balcony in the tower.

You will learn about famed hat maker John B Stetson and the many famous visitors that he hosted at the estate. You will hear about the extensive three year restoration and rebirth of this national historic treasure and about the two men whose passion and dreams enrolled hundreds of manufacturers and artists to make it all happen.

For the grand finale, we will also be treated to the complete illumination of the mansion, inside and out. This tour truly is a magical and romantic experience.
